

This is to certify that

londoncomputerdisposal.co.uk

3 osram road, WEMBLEY, HA9 7NG, UK

Has been assessed

by Daniel Carbis for IT Governance Ltd
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: Internet facing infrastructure for London Computer Disposal Centre. Including Routers, end user devices and hosted systems located at United Kingdom.

Certification date: January 20th, 2020

Recommended re-assessment date: **January 19th, 2021**

Certificate no.: 0968275607077994

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
